Balto Toscana IGT

A wine that celebrates the faithful friend of childhood.
Cabernet Sauvignon, Merlot and Syrah blend in a warm, enveloping embrace capable
of evoking deep emotions and distant memories.

Classification:
Typical Geographical Indication Tuscany Red

Grape varieties:
Cabernet Sauvignon, Merlot, Syrah

Climate and Soil:
The area is distinguished by its proximity to the sea and great luminosity, which
favor a perfect ripening of the grapes.

Vinification:
The grapes, harvested by hand, are vinified by the delestage method. The wine
ages for 12-14 months in French oak barrels.

Aging:
After vinification in temperature-controlled steel tanks, the wines undergo
malolactic fermentation. At the end of this process, they are transferred to
French oak barrels where, after blending, they remain for twelve to fourteen
months. After a light clarification, the wines are bottled and aged for four months
in bottle before release.

Color:
Intense and deep, very thick, purplish turning to garnet with aging.

Bouquet:
Pronounced spicy and vanilla notes, blending with delicate bouquet of small red
fruits.

Palate:
Highly concentrated and powerful, characterized by elegant, velvety tannins.

Pairings:
Tuscan regional main courses and aged cheeses.

Serving temperature 18°C
